SUMMARY

Creative and detail-oriented Graphic Designer with 1 year of freelance experience creating social media creatives, branding assets, digital advertisements, packaging designs, and promotional visuals for fashion, lifestyle, and local business clients. Skilled in Adobe Photoshop, Illustrator, InDesign, After Effects, Canva, and Figma with strong knowledge of typography, color theory, layout design, motion graphics, and visual storytelling. Experienced in delivering engaging visual content while maintaining brand consistency and meeting client deadlines.

EXPERIENCE

Freelance Graphic Designer | Self-Employed | 2025 – Present

- Designed social media posts, promotional banners, digital advertisements, and marketing creatives for freelance clients across multiple industries.
- Collaborated directly with clients to understand project requirements, deliver revisions, and ensure timely completion of creative projects.
- Created typography-based graphics, branding materials, and visual communication assets while maintaining strong design consistency.
- Worked on fashion, lifestyle, and product-based campaigns focused on improving audience engagement and brand presentation.
- Managed multiple freelance projects simultaneously while maintaining quality standards and creative direction.

PROJECTS

The Souled Store Campaign — Social Media Design & Advertising: Designed 10+ social media creatives, promotional graphics, and typography-focused advertisements for Instagram and Facebook campaigns, helping improve audience engagement by 40%.

Kate Spade & LV Bag Design — Branding & Fashion Visuals: Created luxury promotional visuals, banner advertisements, and story creatives for premium fashion bag collections while maintaining strong brand aesthetics and visual consistency.

Ocean Water Premium Design — Packaging & Brand Identity: Developed branding assets and packaging design visuals using eco-inspired color palettes and minimal layouts to strengthen product presentation and brand identity.
